

Find Your Passion Today!

Take a note of the events you like.

Understand your passions, desires, and loves.

You are the only one who truly understands what you adore.

Notes

It could be teaching, gardening, writing, or any of a plethora of other exciting possibilities.

A hobby that you enjoy may give you subtle clues about your passion.

Consider those interests, desires, and passions with excitement.

Find Your Passion Today!

Concentrate on those personalities you love and appreciate.

See your beloved idols, read about them, whom you've emulated throughout your life.

Know about their common interests, aspirations, and priorities.

Notes

Feel the excitement through your mind, as if you've tapped into their zone mentally.

Repeat this activity until you have a clear idea, of what you are passionate about.

Write them down. That will help you decide well.
